BUSINESS DESCRIPTION

The business is a bridal shop specializing in unique and non-traditional wedding gowns from small and independent designers. Its products are favored by fashion-conscious brides that are looking for something exclusive and avant-garde. As part of the store's offerings, the bride can complete her individual look with handpicked accessories specifically created to compliment and highlight her particular dress. The store also extends its offering of wedding gowns and accessories with a selection of other high-end and elegant dresses that are specifically designed and styled for special occasions.

REASON FOR SELLING

The owner wants to relocate to Ireland with her husband. However, she is willing to stay as long as necessary to train the buyer and ensure a smooth transition. The owner is also willing to sign a non-compete agreement.

GROWTH POTENTIAL

The new owner can easily grow the business by adding products and services specifically related to wedding gowns, and more broadly to the wedding event in general. Examples of products and services that could be sold by leveraging the original wedding gown sale are: (1) wedding shoes; (2) alterations; and, (3) wedding dress cleaning and preservation. Examples of products and services that could be sold by being embedded in the wedding event and process are: (1) bridesmaid dresses; (2) bridesmaid gifts; (3) swimsuits and resort wear; (4) silk robes and lingerie.

IDEAL BUYER

The ideal buyer for this business has some of the following characteristics: (1) a passion for this unique type of business, its industry, and its customers; (2) comfortable managing and motivating employees to deal with customers receiving a very personalized service; and, (3) at least \$25,000 or more in liquid capital.
